

HELP!

The Royal Alliance Marching Band and Color Guard need your help. We have many football games, tournaments, concerts and fund raisers throughout the year. Each of these events take quite a bit of volunteer help and supervision.

The following is a list of some of the jobs that need to be covered. Please check off the areas that you would like to help with and we will be in touch with you to confirm dates and times.

Each family must sign up to help with at least three activities.

Thank you for all your support!

Name _____ Phone # _____ Email _____
