Proceeds from this event will benefit the Ramona High School Band and Color Guard, directed by Mr. Daniel S. James. As in all economically challenged school programs, this group is truly deserving of our public support. Popularity of the band programs is increasing due to the dedication and hard work of many selfless individuals involved. The outcome shows a glimpse of important values returning to the forefront of our young and of course, it keeps the ever-appreciated music in our lives.

AME (Alliance for Music Education) is a 501(c)(3) organization (Tax ID # 75-2978110) striving to support the music enrichment of our high schools. Along with learning the art of music performance, the band programs have been proven to enhance the academic learning power in students. It provides them with a positive “band family” unlike any other commonality in teen years and it successfully encourages quality leadership skills for life. Our goal is to have the public embrace the beauty of kids striving to better themselves with programs such as this and enable the students to participate without financial limitation.
